Autism/Asperger 2009 SUMMER HORSE CLASSES Pre-registration form: July 22 – July 24 & Aug. 5 – Aug. 7

Trinity Horse Farm's Summer Horse Classes is a modified shortened version of our school programs for high functioning Autism and Aspergers children. The Summer programs are highly interactive and offers an opportunity for children to have fun with horses while learning social skills. Children are encouraged to greet staff with a handshake and eye contact along with work in groups or pairs to complete horse activities. While doing so, they improve their focus along with skills in listening, following directions, giving directions, working together, making friends and encouraging each other. Inherent in Trinity Horse Farms Summer Horse Classes is the goal of instilling a sense of self worth, belonging and acceptance. Note: There is no riding of the horse all activities take place from on the ground.
